## 组装提示 Assembly Tips

- 整个书立内部将会分为下图几个部分，我们将按照更顺利的结构拼装逐一完成。最后组装在一起，完成整个书立。为了拼装的效果，需要保证面对正面都是有印刷颜色的面，让我们开始吧。
- The interior of the bookends will be divided into the sections shown in the figure below. We will assemble them step by step following a more logical structure, and finally combine all parts to complete the entire bookends. To ensure the best assembly results, please make sure the printed side always faces the front. Let's begin.
